FOREWORD

This Annual is a report of your school; of its organization, its achievements, its ideals and its hopes. It is a lasting record of your school life together at Frontier Central.

Thus, in the future, it will serve as "THE GATEWAY" to those many enjoyable times those many unforgettable memories that you will always cherish.

However, it is much more than that. Frontier, although a small part of an international frontier, is symbolic of the kind of boundary for which all the world is striving—a boundary that substitutes cooperation and understanding for fortifications and battlefields. "THE GATEWAY" to that kind of frontier is the dream of all mankind and only so long as such gateways can be kept open by freedom-loving men, can there be any hope for future world peace.

Thus you can, indeed be proud of the selection of the name "The Gateway" for your Annual not merely because of geographical and historical significance but rather because of the symbol of hope it holds for all of us.

MR. ANDREW C. BEAM

IN MEMORIAM

Andrew C. Beam joined the community of Woodlawn in the year 1929. He came here a stranger to most of us. He came to fill the position of Principal of the Woodlawn Union Free School. None of us even remotely guessed at that time what his role was to be in the mighty drama that was to unfold in the succeeding twenty three years.

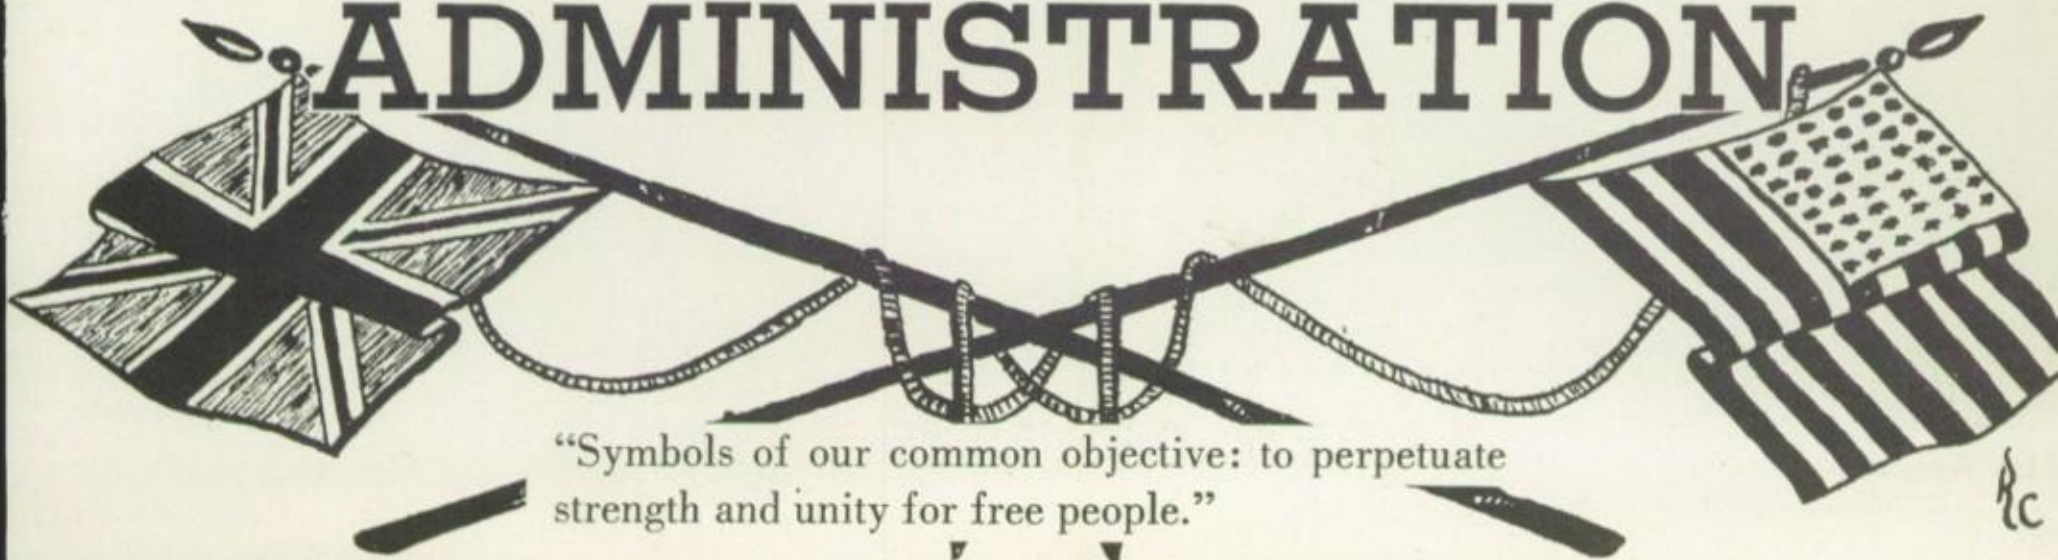

In that eventful quarter of a century, he helped to determine the destiny of a large part of the educational pattern of the County of Erie through his untiring effort to bring about such centralizations of schools as Alden Central, West Seneca Central, and our own Frontier Central.

In his own chosen community he stood out as a leader of fine ability, actively participating in and giving leadership to such organizations as the Boy Scouts, The Church of Christ and the Fire Department.

Our feeble utterances here will very soon be forgotten but Mr. Beam's deeds have been written indelibly on the pages of our local history.

BLASDELL

The class of '56 has a membership of eighty-one.

Choosing elective subjects was a serious responsibility for most of us, as it is the beginning of the training for our careers.

The boys formed a Freshman basketball team which we were very proud of. Nancy, Kay and Jeanette helped to keep up the teams' spirits with their fine cheer-leading.

Mr. Grottanelli has been a good pal to all of us and even obliged by playing Santa Claus at our Christmas party. That was our first evening party and we are looking forward to many more.

We waded through the novel "Ivanhoe" and most of the booklets were well written.

In 1936, the present form of organization for the Student Council was set up. The group has been active in representing each class in the interpretation of student attitudes and wishes for greater co-operation and better understanding among the different groups and between students and faculty. The council receives student ideas, discusses them, and if possible, carries them out. The Student Council has been a member of the National Association Student Council since 1944.

THE 1953 GATEWAY

It is doubtful whether any group assembled for an exacting task as that of publishing a yearbook could manage to have as many good times as we have had in this past year . . . Using the talents and time of many seniors as well as faculty members and working together as under one roof we have tried to prove an equal to those books presented before this and to perhaps even surpass them with the few improvements possible . . . We offer our heartfelt thanks and gratitude to the many other students who contributed their services, and to the many teachers who so diligently helped us.

THE WOODLAWNIAN

On the serious side our accomplishments this year included increased subscription; increased content, silk screen covers in several colors; and clearer type. We strove to maintain a quality of excellence in each issue and to bring readers a paper which was truly "second to none".

On the lighter side we managed to dub several noble persons "washers of the stencils", to have the mimeograph machine overhauled, to break the glass on the mimeoscope, use more ink than Carter has pills, become nervous wrecks on Press Day; form a chain gang for assembly, and have more fun than people.

THE BULLETINETTE

The Blasdell Bulletinette Staff is composed of forty members: Henry Zak as Editor and the Misses Geraldine Herrick and Elma Titus as Advisors.

In October 1952, Miss Titus, Andrew Kuszak and Sue Taleff went to the Empire State School Press Conference in Syracuse.

The Bulletinette won an all New York Rating for Editorial Content in the Better Publication Contest in 1952.

MUSIC AT BLASDELL

The students of Blasdell High School are able to participate in a variety of musical organizations which are offered in both the instrumental and vocal fields. Besides performing in our own school on various occasions, our students participate in the Erie County Music association choirs, band and orchestra. Our students also have been chosen for participation in the New York State Sectional programs.

Every Spring the Girls Club, instrumental soloists, and baton twirlers enter the competitive festivals sponsored by the state.

In April the music department presented a variety show called "Holiday Inn".

JUNIOR VARSITY FOOTBALL

The Junior Varsity team of 1952 had a good season of four wins and two losses. Although very inexperienced, the team opened under the lights at Lancaster and lost a tough, hard fought game. Rallying to beat Hamburg in the next outing the team went on to four straight victories, finally, losing to Springville in the last game.

The quarterbacking was ably done by Ray Suto and Dick Percy. The backfield consisted of such fine boys as Don Fredrickson, Glenn Mead, Dick Carmody, Joe Lovern, Rosy Bonifisuto and Dick Brogan.

Soccer is a popular fall sport at Frontier Central. As a member of the Erie County High School Soccer League Frontier had a successful season, winning both the league and the Section VI trophies. Other members of the league include Amherst, Holland, Gow, North Collins, Orchard Park and Williamsville.

R. Scheffler, D. Baxter, R. Goodrich, H. Fedick, A. Baxter, R. Scheffler, R. Schauger, R. Obad, R. Kast.

This year the soccer team had their first undefeated season. Under the coaching of Mr. Dunklin, the team won eleven games and tied one with Orchard Park where Dick Graf suffered a serious injury.

At the beginning of the season, no one thought of an undefeated season, but as the games passed by their hopes grew until the Frontiersmen finished the season by defeating Amherst Central and Gow. The season could never have been as successful without the fine goal tend-

ing of Ray Goodrich who let only six goals and four penalty shots through him in twelve games. The offense was taken care of by captain Bill Tomasic and George Sweetingham.

experience gained during the past season should produce several Varsity players for the next year. The team showed good balance, and as the season wore on, close teamwork was developed, which resulted in lowscoring games, especially on defense.

J. V. SOCCER

The real scoring power of the J. V.'s came from the front line of J. Piniewski, A. Colafranceschi, D. Crabtree, and K. Sickau. The defensive stars were J. Bus, D. Bushnell, P. Ludlow, and Goalie, J. Dolinar. Many of these boys were playing for the first time, and their willingness to play made up for their inexperience. By the seasons end the team had learned to function as a unit, and while being limited to only four victories, had held the opposition to three wins and three ties.

The J. V. Soccer team ended the season with a four win, three losses, three tie record. Freshmen and Sophomores made up the greater part of the squad, and the

VARSITY BASKETBALL

The 1952-53 edition of the cage five though weakened by the graduation losses of Bill Firth, Bill Brogan and Carm Morrano from the 51-52 Section VI champions has come through in fine style with a record of seven wins and one loss at the halfway point in the season. Probably the highlights of the season at this writing have been the two fine victories over Hamburg High School. Other victories have been over Orchard Park, Eden, Holland, North Collins and Lake Shore the lone defeat came at the hands of a fine Amherst team.

The team has been led by Capt. Vince Yacobucci, who has had able assistance from such stalwarts as Ray Ernewein, Hank Zak. Stan Figiel, Bill Tomasic, Bob Wasmund, Ray Goodrich Gene Seidleck, and Gene Kraus. Ray Haines, Frank Capozzi, John Troup, Bob Melander and Emerich Kokot round out a fine squad.

JUNIOR VARSITY BASKETBALL

The J. V. basketball team although off to a rather inauspicious start has shown a gradual improvement not only in individual play but in the all important team play. Several players have looked exceptionally well and will probably be playing with the varsity in the coming years.

It is hoped that with more experience several more players can be developed to the point where they may eventually replace graduating varsity players.

This climaxed a great baseball season for Frontier whose league record was 7 wins and 3 losses. Bill Firth and Dave Gardner supplied excellent pitching and Carmen Marrano and Bill Brogan with fine defensive ball.
